Our Vision

Our vision for the curriculum at Thomas Buxton Primary School is that we provide a high-quality education for all pupils through an innovative, creative curriculum that ensures that the teaching of all subjects is underpinned by National Curriculum expectations and the needs of the children.

Beyond the curriculum framework we want our children to; be able to explore the world, be curious and develop cultural and social capital.

It is these experiences which will allow them to succeed as learners and find their place amongst peers as they grow into adulthood. These enrichments seek to offer children opportunities to experience places and events which they may not ordinarily have access to. It is interwoven into the planned curriculum and is offered when resources and opportunities arise.
