Dear Parent/Carer,

Here are your child's home learning activities for this half term. The teaching staff have selected some activities that will support your child with their learning and encourage them to become independent learners. Please make time to choose and do some of these activities with your child. We will always be interested to see and hear what you home learning activities you have done so make sure you share your work with the rest of the class!

The KS1 exhibition will take place on **Thursday 28th March 2024.**
